

share in the prunes on such land will be considered as owned by the lessee. Land which would otherwise be one unit may be divided according to applicable guidelines on files in your service office. Units will be determined when the acreage is reported. Errors in reporting units may be corrected by us to conform to applicable guidelines when adjusting a loss. We may consider any acreage and share thereof reported by or for your spouse or child or any member of your household to be your bona fide share or the bona fide share of any other person having an interest therein.

18. Descriptive Headings

The descriptive headings of the various policy terms and conditions are formulated for convenience only and are not intended to affect the construction or meaning of any of the provisions of the contract.

19. Determinations

All determinations required by the policy will be made by us. If you disagree with our determinations, you may obtain reconsiderations of or appeal those determinations in accordance with Appeal Regulations.

20. Notices

All notices required to be given by you must be in writing and received by your service office within the designated time unless otherwise provided by the notice requirement. Notices required to be given immediately may be by telephone or in person and confirmed in writing. Time of the notice will be determined by the time of our receipt of the written notice.

21. Notwithstanding the terms of the crop insurance policy and any contract for crop insurance under the provisions of this part, coverage under the terms of such crop insurance policy will be effective subject to the availability of appropriations.

Subpart—Regulations for the 1986 and 1987 Crop Years

§451.1 Availability of canning and processing peach crop insurance.

Insurance shall be offered under the provisions of this subpart on canning and processing peaches in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, as amended. The counties shall be designated by the Manager of the Corporation from those approved by the Board of Directors of the Corporation.

§451.2 Premium rates, production guarantees, coverage levels, and prices at which indemnities shall be computed.

(a) The Manager shall establish premium rates, production guarantees, coverage levels, and prices at which indemnities shall be computed for canning and processing peaches which will be included in the actuarial table on file in the applicable service offices for the county and which may be changed from year to year.

(b) At the time the application for insurance is made, the applicant will elect a coverage level and price at which indemnities will be computed from among those levels and prices contained in the actuarial table for the crop year.

§451.3 OMB control numbers.

OMB control numbers are contained in subpart H of part 400, title 7 CFR.

§451.4 Creditors.

An interest of a person in an insured crop existing by virtue of a lien, mortgage, garnishment, levy, execution, bankruptcy, involuntary transfer or other similar interest shall not entitle the holder of the interest to any benefit under the contract.
